Temple will be closed to the public until further notice.

Namaskar Temple Devotees and Visitors:

In response to Governor Lamont's most recent executive orders limiting gatherings in public and private spaces to reduce the spread of COVID-19, the Sri Satyanarayana Temple management has decided to enact the following measures:

- The Temple will be closed to the public until further notice.
- The Temple priests will continue conducting regular services.
- Special archana requests can be phoned in and all attempts will be made to honor and live-stream these rituals. Phone numbers to call are the main line: 860-346-TMPL and head priest Pt SimmaJi's number: 860.834.1395.
- For the time being the Temple priests will discontinue conducting pujas and rituals in private homes or venues except under very special circumstances as determined by the Temple management.
- In two weeks, the Temple management will re-evaluate the situation and decide whether to re-open. We ask for your patience as we strive to keep our community as safe as possible.
- During the closure the Temple complex will undergo a thorough sanitization.
- Please continue to check the Temple website at <http://cvhts.org> and visit our [Facebook page](#) for updates.
- For more details about COVID-19 please go to the [CDC website](#).
- Our community is strong and with God's grace we will get through this.

May the blessings of Sri Satyanarayana Swamy be always with you and your family!
